Nude Medical Aesthetics Open at First Street Napa, Bringing Elevated Aesthetic Care to Downtown

Modern Aesthetic Practice to Open in Suite 252 in May

First Street Napa announced today that Nude Medical Aesthetics, a leading provider of modern, results-driven aesthetic treatments, will open a new location at Suite 252 at First Street Napa. The practice is scheduled to open May 2026, expanding Nude Medical Aesthetics' presence into the heart of downtown Napa.

Founded with a philosophy centered on natural results, confidence, and individualized care, Nude Medical Aesthetics offers a thoughtfully curated range of non-surgical aesthetic services designed to enhance—not alter—each patient's unique features. The practice is known for its refined, clinical approach paired with a welcoming, elevated environment that prioritizes education, comfort, and long-term results.

The new First Street Napa location will offer Nude Medical Aesthetics' full suite of services, including injectable treatments, skin rejuvenation therapies, and advanced aesthetic procedures, all delivered by highly trained medical professionals. The space is being designed to reflect Nude Medical Aesthetics' modern, minimalist aesthetic while complementing the sophisticated character of Napa Valley.

"We're thrilled to join the First Street Napa community and introduce a modern aesthetic practice rooted in confidence and natural results," said Logan Vasquez, Co-Founder of Nude Medical Aesthetics. "This new location allows us to thoughtfully serve both locals and visitors in an environment that feels refined, welcoming, and intentional."

Located in the heart of downtown and within walking distance of Napa's acclaimed restaurants, tasting rooms, hotels, and riverfront attractions, First Street Napa continues to grow as a premier lifestyle destination that blends wellness, retail, dining, and hospitality.

"We look forward to welcoming Nude Medical Aesthetics to First Street Napa," said Todd Zapolski of Zapolski Real Estate. "They represent the evolving lifestyle component of our center, one that prioritizes wellness, confidence, and personal care."

The addition of Nude Medical Aesthetics further reinforces First Street Napa's commitment to curating a thoughtful mix of experiential brands that serve both the local community and visitors seeking elevated offerings in retail, food, wine, wellness, and self-care.
