Napa Valley 1839 FC Brings a New Home for Fans to Downtown Napa

NAPA, Calif. — Big news for Napa Valley soccer fans: Napa Valley 1839 FC is coming to First Street Napa with a new pop-up storefront, bringing the club's gear, spirit and unmistakable Napa Valley pride to the heart of downtown.

Coming off a 2025 season that saw Napa Valley 1839 FC finish second in the country, the team continues to build momentum both on and off the field. Supporters have been asking for a place to shop for 1839 FC gear for years. Now, they have one. **The 1839 FC pop-up opens October 15 in Suite 325 at First Street Napa**, next to Hopscotch & Bark and across from Green Polish, and is expected to remain open through the end of January.

There's something fitting about bringing the team downtown. Founded in 2017 by Napa native and local entrepreneur **Arik Housley**, Napa Valley 1839 FC has grown into a club with both men's and women's teams, united by one badge and a passionate fan base known for drums, chants and plenty of noise on match day. As the club's founder and owner, Housley has helped build a team with deep ties to the community it represents.

The club has also built traditions that are uniquely Napa. Since its early days, 1839 FC has welcomed visiting opponents with a bottle of Napa Valley wine, a small gesture that has become part of the club's identity. Its scarves have also traveled along for away games around the country.

Until now, fans looking to rep the 1839 FC badge could shop online or pick up gear at the stadium on match day. The new storefront gives the club a home base of its own, making it easier for locals and visitors to celebrate Napa Valley and the world's game.

Inside, fans will find 1839 FC jerseys, including the club's annual cause kit, along with hats, scarves, beanies and other fan favorites. Fans can also raise a glass to 1839 with the club's branded IPA or enjoy Napa Valley wines from sponsors including Whitehall Lane, Century Oak and 1467 Wines.

Stop by First Street Napa, explore the shop, meet the people behind the badge and rep a little 1839 FC of your own.
